

### **The Ocean Extends to Beachfront Delight at Villa Del Mar!**

Situated in a prime mid-island location, Beachfront Delight is part of an intimate 12 unit building providing a boutique type stay. The sand and sea are brought indoors with calming, neutral décor used throughout the condo. With two bedrooms and one and a half baths, cool tile floors, and more windows than rooms, your new vacation home is fit for up to six guests.

**We won't blame you for dropping your bags immediately at the door and heading straight for the extra large lanai.**

Overlooking the heated, palm tree lined in-ground pool, the screened lanai is the ideal place to dine al-fresco and watch the splendid postcard picture sunsets. It's time for you to relax with your family or friends, sharing a glass of wine as the sun turns a deeper orange and dips into the turquoise Gulf of Mexico each evening. You're here - celebrate a beautiful day together!

**It's easy getting around -- the Fort Myers Beach Trolley is at your doorstep.**

Enjoy the area like the locals do while saving time and money. A single day trolley pass is \$1.50 or \$3.00 for a three day pass. You'll have access to many great sites such as:

- *Lover's Key State Park* - perfect for swimming, shelling and bird watching
- *Santini Marina Plaza* - great local shops and restaurants, plus check their website for events like the Farmer's Market, musical entertainment and festivals
- *Times Square* - popular entertainment and dining district; 5th ranked attraction in Fort Myers Beach on TripAdvisor

*Estero Bay Marina*, within a few minutes walk, lets you take advantage of daily boat rentals or experience exquisite water-front dining at the award-winning *Bay Front Bistro*.

**Recharge after a full day exploring -- Master Bedroom with en-suite Bath.**

Your queen size bed beckons and the subtle waves lapping the shore below gently lulls you to sleep. The open lanai and corner window creates a cool cross breeze to caress and tease you awake. Enjoy the salty scented air and watch for dolphins as you sip your morning coffee. Stretch out on the lounger, take in the swaying palm trees and calm, sunlit sea.

The full en-suite bath with his and hers vanity, tub and shower will have you starting your day comfortably with soft linens and complimentary personal size bath products.

**Extra sleeping space -- keeping everyone comfy.**

You'll find plenty of space for family and friends to spread out. The second bedroom has two twin beds and corner windows. This bright and airy room, like the Master Bedroom, is also equipped with a TV for their enjoyment.

For larger groups, a fold out sofa and love seat accommodates up to 2 more guests.

**Seven miles of dream worthy powder soft sand!**

*Relax. Read. Swim. Repeat.* You are only a few steps away from one of Florida's best beaches. Wiggle your toes in the warm white sand, wade into the cool, shallow Gulf of Mexico waters and breathe deep - vacation is upon you.

Beach chairs, towels and other fun-in-the-sun accessories are stored in the condo for your use (lucky you, no lugging this in your suitcase!) Pack a few snacks and cold drinks into the cooler and let the day take its course.

**All the convenience of being home -- but the view is better!**

After a day relaxing on the beach, stop at the conveniently located Publix, just one block away. Picking up those few necessary items is easy, stock up on snacks and the special ingredients to cook your family's favorite meals in the cozy, well equipped kitchen.

The pass through kitchen has barstool seating for quick, casual eating or the dining table accommodates four. But when you're in a setting like this, why not dine outside on the lanai and enjoy your private ocean view!

Dinner is over and relaxation has fully set in. Melt into the plush sofas and treat yourself to dessert (it's vacation after all!) and a movie from the DVD library.
